PLEASE READ IMPORTANT INFORMATION

9.7.5. Restoration permit required.

(A) Restoration. A person who seeks to restore a vehicle on their premises shall apply for a vehicle restoration permit. The location of the vehicle must be the same as the applicant's place of residence. The City of Hanahan Building and Codes Department may issue one (1) written permit to an owner allowing the unlicensed or unregistered vehicle to be on the owner's premises for the purpose of repair and upgrade for a period not to exceed twelve (12) consecutive months, with a one (1) year extension available upon request and approval (See (D)). Only one (1) vehicle restoration permit is allowed at a time per household or dwelling site.

(B) Storage. Any unlicensed or unregistered vehicle being repaired or upgraded under the vehicle restoration permit authorization must be stored in a garage or must be parked on a concrete or asphaltic surface, or an approved rock/gravel surface, and covered with an approved fitted cover designed for that vehicle type. The repair or upgrade of the vehicle must be for personal hobby or recreational purposes, and not be for business purposes.

(C) Application. Restoration permits shall be obtained from the building and codes department after completion of an application and payment of a fee of twenty dollars (\$20.00).

(D) Extension. Permittee may request and the city may authorize one (1) twelve (12) month extension in order to complete the repair, provided permittee is in compliance with the terms of the permit and the property maintenance provisions in this ordinance. At the expiration of the permit or its extension period, if the vehicle is not fully restored to working condition, the owner must either store the vehicle in a fully enclosed building or remove the vehicle from the property.
